

Planning a Peace Sunday

- Choose a Sunday for the worship service to focus on peace—Peace Sabbath, Sunday, November 2, or any other Sunday during the year.
- Check out the United Church website for peace prayers and worship resources:
 - www.united-church.ca/getinvolved/unitedforpeace/resources
 - www.united-church.ca/planning/theme
- Plan for a special offering. United for Peace offering envelopes can be ordered through United Church Resource Distribution (UCRD).
- Order *A New Day: Peacemaking Stories and Activities* by Carolyn Pogue, from UCRD for use during children's time.
- At coffee time, don't forget to have lots of United for Peace cookies on hand to help raise money for the campaign. If you haven't already done so, you can order your dove cookie cutters through UCRD.
- You can also sell United for Peace olivewood pins to help raise funds for the United for Peace Campaign. The pins are made in Bethlehem and make a perfect gift for both friends and family members. Remember to sell the pins for more than you paid for them and turn the profits into a contribution to the United for Peace Campaign. Pins, too, can be ordered through UCRD.
- Visit www.united-church.ca/getinvolved/unitedforpeace/fundraising for more detail on United for Peace fundraising, including a video clip on the making of pins.
- Share your campaign ideas by sending an e-mail to peace@united-church.ca. We'd also love to post your photos on the United for Peace blog, where you can find out what others are doing to support the campaign: www.u4peace.blogspot.com
